QPAGOS Reports Robust Revenue Growth in a Positive Start to 2018

Mexico City, May 23, 2018 – QPAGOS (QPAG: OTCQB) starts 2018 with strong revenue growth in the first quarter, as reported yesterday in company's filed 10Q.

Revenues for the three months were \$ 1,464,789, a 58% increase over the same quarter in 2017, and a 37% increase of the recent quarter ended in December 2017.

During the first quarter, the company continued to expand its portfolio of payment services, as well as expanded into new locations, including several municipalities in the state of Queretaro, which contributed to drive revenue growth. As a result, the company's customer collections grew over 100% as compared to the same quarter in 2017.

"We're excited with our first quarter revenue growth as we implemented our strategy to position QPAGOS in Mexico's expanding electronic payments sector," said Gaston Pereira, President and CEO of QPAGOS. "We also have continued to incorporate leading service providers in the country in our payment gateway, including exciting new services like Pronosticos, the leading electronic games by the Mexico's Lottery system."
