QPAGOS Shows Continuing Q2 Revenue Growth

Mexico City, August 15, 2018 – QPAGOS (QPAG: OTCQB) announced that 2nd quarter 2018 results continue the strong revenue growth trend shown in the first quarter, as reported yesterday in the company's filed 10Q.

Revenues for the three months ending June 30, 2018 were \$ 1,701,763, a 67.3% increase over the same quarter in 2017, and a 62.8% increase over the same January to June period of 2017.

During the 2nd quarter, collections at new locations, particularly municipalities, contributed to this growth, as Qpagos government services solutions have expanded throughout the country.

“We believe our second quarter revenue growth, together with growth trend shown in the first quarter, validates the potential of the Mexican electronic payments market as QPAGOS continues to position itself as a valuable player in this sector,” said Gaston Pereira, President and CEO of QPAGOS. “During the quarter several new relationships have been developed which should bear fruit in upcoming quarters.”
